

Comprehensive Motor Vehicle Insurance

Equipped for confidence.

For your peace of mind with **THREE YEAR OLD FOR NEW**

In the unfortunate event of an accident, it is important to know that you and your vehicle are in safe hands. Your Mercedes-Benz insurance policy* is designed to restore your vehicle to its former standards of quality, safety and performance.

Some of the benefits include:

Immediate Cover

Authorised dealers can arrange cover on your new and used vehicle, subject to approval**

New Vehicle Replacement

Vehicles (including demonstrator models) that are deemed a total loss within three years of original registration or 100,000 kms, may be replaced with a new vehicle of the same model and specification, if available in New Zealand – at no additional cost to you.

Used Vehicle Price Guarantee

If your vehicle is deemed a total loss within 12 months of you purchasing it from a franchise dealer, settlement will be either the purchase price you paid or the market value, whichever is the higher amount.

Legal Liability and Defence Costs

The policy provides \$20 million for liability for loss to property and \$1 million for liability for bodily injury.

24-Hour Assistance

Claims assistance is available 24 hours a day by phoning 0800 506 606. Any emergency repairs/assistance you pay for can then be claimed back if covered by your policy, subject to the policy excess.

Authorised Repair Network

You will have access to an authorised repairer network offering a quality guarantee on all repairs undertaken, while you own the vehicle. They may also start repairs before assessment by the insurers loss adjustor, to avoid any delays.

Emergency Accommodation Costs

If your vehicle cannot be driven home after an accident, you and your passengers are covered for reasonable emergency accommodation costs up to \$1,500.

Emergency Transport Costs

In the event of an accident, you are covered for transport costs to return you and your passengers home or to your nearest destination, including costs to return your vehicle home when it has been repaired, up to a limit of \$2,000.

Claims handling

All claims are handled by a dedicated team providing first class service with specialised prestige motor vehicle assessors.

Claim-Free Recognition

If, at any time you make a claim, you have been claim-free on your full (comprehensive) motor vehicle insurance over the last five consecutive years, your claim-free discount will not be affected.

Rental Vehicle

In the event of an accident or theft of your vehicle this insurance contributes to the cost of a rental vehicle for a maximum of 14 days (but does not include any running costs). Some conditions apply.

Windscreen and Glass Cover

Cover is provided if your windscreens, windows, sun-roofs, head-light glass and/or protectors, tail light glass or driving lights require repair or replacement, with no effect on your claim-free discount. If the damaged item is repaired, no excess is payable. If the damaged item is replaced for \$2,000 or less, no excess is payable - otherwise a \$500 excess applies.

Trailers

Cover is extended to include accidental loss to any trailer, for the market value up to a maximum of \$2,000 during any one period of cover with no effect on your claim-free discount. Some conditions apply, as well as a \$50 excess.
