The declared fuel and energy consumption figures are determined by testing under standardised laboratory conditions to comply with ADR 81/02. Real world fuel consumption is influenced by many additional factors such as fuel quality, individual driving style, load, traffic and vehicle condition. The declared fuel consumption figure should only be used for the purpose of comparison amongst vehicles.

*The information contained in this document is indicative only and correct at the time of printing, 24 July 2018. However, packages (including model lines), specifications, features, extras, options and equipment levels are subject to change without notice. The Recommended Retail Price is expressed as inclusive of GST unless otherwise stated or indicated, but does not include charges for optional extras/features (including their fitment) or on-road charges such as Dealer Charges (for example, dealer delivery), registration or insurance. Prices are rounded to the nearest dollar and are subject to change at any time and from time to time without notice. Some vehicles or equipment pictured and/or featured may not be available in New Zealand. Please consult with your dealer for further information.

**Traffic Sign Assist is a driver assistance aid only and may not be accurate in all instances. The driver at all times remains solely responsible for monitoring the driving environment and observing all traffic and/or speed signs as well as complying with all applicable road rules. In particular when accepting the displayed speed restriction when Active Distance Assist DISTRONIC, cruise control, or the speed limited is activated, it is the driver's responsibility to adjust the speed of the vehicle in accordance with the designated speed limits.

The RRP's contained in this list are the manufacturer's recommendation only. Vehicles must be purchased from dealers who may charge more or less than the RRP.
