--	---	---	---	-----------	----------	-----------

The declared fuel and energy consumption figures are determined by testing under standardised laboratory conditions to comply with ADR 81/02. Real world fuel consumption is influenced by many additional factors such as individual driving style, load, traffic and vehicle condition. The declared fuel consumption figure should only be used for the purpose of comparison amongst vehicles.

*The information contained in this document is indicative only and correct at the time of printing, 24 October 2018. However, packages (including model lines), specifications, features, extras, options and equipment levels are subject to change without notice. The Recommended Retail Price is expressed as inclusive of GST unless otherwise stated or indicated, but does not include charges for optional extras/features (including their fitment) or on-road charges such as Dealer Charges (for example, dealer delivery), registration or insurance. Prices are rounded to the nearest dollar and are subject to change at any time and from time to time without notice. Some vehicles or equipment pictured and/or featured may not be available in New Zealand. Please consult with your dealer for further information.

**Emergency spare wheel delivered with vehicle may be a full size spare, space saver wheel or collapsible wheel, depending on model/specification of vehicle, production times and availability, and optional alloy wheel ordered (if any). The type of emergency spare wheel delivered is controlled by the factory and is subject to change without notice.
